Patient Information

Your first consultation with us may take up to 60 minutes. Please allow enough time.

Your examination may involve the use of eye drops which can blur your vision. We advise you not to drive until your vision returns to normal.

Please bring to your appointment this referral, your spectacles (if any) and a list of your current medications.

Payment is required on the day of your consultation which will enable you to claim a rebate from Medicare.
Visa, Mastercard and Eftpos are accepted.

If you are unable to attend your appointment we would appreciate at least 24 hours notice.
